

## 2024 FPF Events and Meetings

### FPF Events

**14th Annual Privacy Papers for Policymakers** - This annual event recognizes leading privacy scholarship relevant to policymakers in the United States Congress, federal agencies, and international data protection authorities. Join FPF on February 27 as award winners showcase their papers, and Senator Peter Welch provides this year's opening keynote remarks. [Click here](#) for more information.

**FPF Spring Social** - Join FPF for our Annual Spring Social during the IAPP Global Privacy Summit on April 2. Celebrate FPF's 15th Anniversary with refreshments as you converse with old and new friends. *More details to come.*

**The FPF Annual Advisory Board Meeting** - The annual meeting is the premier opportunity for Advisory Board members to engage with fellow corporate privacy executives, leading academics, and members of civil society. This year's meeting will be held June 5 - 7 and day one will kick off with the first Annual FPF DC Privacy Forum, a day of public programming centered on the theme "PrivacyAI Forward". Join us at the [Wharf Intercontinental](#) in Washington, DC. *More details to come.*

**The Privacy Executives Summit** - This new, one-day summit will bring together our senior privacy professionals to discuss top of mind issues in a small, intimate setting. The debut meeting will be held September 12 at the [Claremont Club & Spa](#) in Berkeley, CA. *More details to come.*

**The FPF Brussels Privacy Symposium** - In the fall of 2024 FPF will host our annual Brussels Privacy Symposium as a standalone event in October. *More details to come.*

**The Global Privacy Assembly** - FPF is excited to once again host various events and sessions at the Global Privacy Assembly from October 28 - November 1 in Jersey, Channel Islands. *More details to come.*
